CELEBRATING THE FORTY-THIRD ANNUAL DAFFODIL SHOW OF NANTUCKET

This year the Nantucket Daffodil Show is celebrating its 43rd year. This show is presented by the Nantucket Garden Club and is held in cooperation with the American Daffodil Society. The show has been the nucleus from which the present day Daffodil Festival weekend celebrations have evolved.

The first show, held at the Boys & Girls Club, was heralded in when Nantucket Garden Club members placed daffodil-filled coke bottles along Main Street. As the show grew and gained popularity, it was moved to the American Legion Hall, the Harbor House, the Folger Hotel, later the Point Breeze Hotel, the Coffin School and for the past several years it has been held at Bartlett's Ocean View Farm.

In 1974, the goal was to plant 1 million bulbs. The first major planting of bulbs was on the Milestone Road to 'Sconset. By 1978, fifteen miles of planting graced the 'Sconset and Polpis Roads and the first Classic Car Parade and tailgate picnic in 'Sconset was held. In the 1980's, 8 tons of bulbs were ordered from Holland and a full scale community effort was undertaken to complete the Polpis and Milestone Roads plantings. In 1998 in preparation for the 25th anniversary of the Daffodil Show, 15,000 bulbs were planted with early and mid-season varieties along the Polpis Bike Path. In 2006, the Garden Club coordinated the effort to plant 5,000 bulbs on the Fairgrounds Road bike path. The Club recently completed planting 15,500 bulbs along the new Hummock Pond Bike Path. It is estimated that island wide, the bulbs have naturalized over the years to an estimated 4 million blossoms. What started as the vision of one woman, Jean MacAusland, has grown to a significant event-filled weekend that heralds in spring on Nantucket.

Special Thanks

The Nantucket Garden Club Daffodil Show Committee thanks everyone who has contributed to the success of this year's show, including The American Daffodil Society, Inc., Bartlett's Ocean View Farm, Flowers on Chestnut, Nantucket Storage Center, Island Tours, Valero's, and cover artwork courtesy of Nancy McNeal. Special thanks go to the members of the Nantucket Garden Club and the Nantucket community, for their generous and constant efforts on behalf of the show.

GENERAL RULES

Entries may be made on Friday, April 28th between 3 PM and 6 PM, and on Saturday, April 29th between 7 AM and 9:30 AM. We encourage entrants needing help to bring their flowers in on Friday. Assistance with entry cards for all classes will be available at Bartlett's Farm during these hours. All entries must be signed in on the horticulture and/or artistic registration sheets upon delivery to the show. No late entries can be accepted. Please consult the following website for valuable assistance in identifying your daffodil blooms: www.daffodilusa.org. For additional information contact Bee Gonnella at 508-221-1883, Jephtha Tausig at 917-562 9639 or Jean Wagley at 212-772- 2122.

Each Horticulture entry must have an A.D.S. entry card with both sections completed with name and address. After the entry card is completed, folded and closed, if the daffodil was grown on Nantucket that should be indicated by a large visible "N" on the bottom flap which is folded up. Entry cards will be available in advance from Bartlett's Ocean View Farm, Flowers on Chestnut, Dan's Pharmacy and Valero's.

The show closes at 4:30 PM on Sunday. Entries, awards, and ribbons must be picked up between 4:30 PM and 5:00 PM. Unclaimed entries will be donated to the Nantucket Cottage Hospital or Our Island Home.

RULES FOR HORTICULTURE

1. Classes are open to all amateur daffodil growers.
2. Any information on an entry tag, including the exhibitor's number, which could compromise the anonymity of the exhibitor, must be concealed during judging.
3. Containers will be furnished at time of entry at the show. Wedging material will be provided. No daffodil foliage is permitted.
4. An exhibitor may make as many entries as desired in any class provided each entry is a different cultivar or species or a completely different collection.
5. All blooms must have been grown in the open by the exhibitor. Miniatures may be grown in protected areas.
6. Each stem in an exhibit receiving an A.D.S. award must score 90 percent or more by the A.D.S. Scale of Points.
7. All collections of 5 or more stems must be exhibited with each cultivar or species in a separate container. Each cultivar must be **correctly labeled** with name, division and color code.
8. Miniature daffodils named in the most recent A.D.S. Approved List of Miniatures may be shown only in classes for miniatures. An exhibitor may enter any named or numbered, graceful, diminutive daffodil flower in classes for miniature daffodils; however, judges may decline to judge such a flower if in their opinion it is too large to be considered a miniature. Only numbered seedlings, shown by the originator, are eligible for the A.D.S. Miniature Rose Ribbon.
9. Only one First, one Second and one Third award may be given in each class. Also, Honorable Mention may be given if merited, but only if First, Second and Third are given.
10. First, Second, Third and Honorable Mention awards may be withheld by the judges if in their opinions the exhibit is not worthy. However, if a blue ribbon has been awarded in a class for an A.D.S. Award, that award may not be withheld. The decision of the judges is final.
11. Correct classification and labeling shall be the responsibility of the exhibitor. No label may be changed, specimens added, removed, altered or substituted after judging has begun or after any awards have been placed. If an error is discovered in an exhibit after completion of judging, any award thereon (A.D.S., Special or Ribbon) shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the exhibit must be rejudged.
12. Exhibits which are not named or are incorrectly named will not be judged. Blooms of seedlings may be exhibited in all classes for named cultivars. All seedlings must be identified by a number designation assigned by the originator. If the exhibitor is not the originator, the name of the originator must be included as part of the identification.
13. The Show Committee reserves the right to subdivide classes when there are three or more exhibits of the same cultivar, color code or species and if a sufficient number of worthy exhibits are left in the class. Species may be subdivided by their botanical sections.
14. Only Nantucket-grown flowers **WILL** be considered for Nantucket special awards.
15. **VERY IMPORTANT: ENTRANTS MUST COMPLETE CARDS WITH NAME, ADDRESS (AND CULTIVAR CLASSIFICATION WITH NAME, DIVISION AND COLOR CODE) BEFORE SPECIMENS ARE ENTERED.**

SCALE OF POINTS FOR JUDGING STANDARD DAFFODILS

ADS Point Scale for Judging Cut Specimens			
	Cultivar	Species	Historic
Condition	20	50	40
Form	25	15	15
Substance and Texture	15	10(substance) 5(texture)	5(substance) 5(texture)
Color	15	10	15
Pose	15	5	5
Stem		5	5
Size	10	0	10
Total	100	100	100

For miniature daffodils, both cut specimens and container-grown, the judges will substitute “Form and Grace” for Form. In exhibits of 3 stems, the judges may deduct up to 5 points for lack of uniformity.

SUGGESTIONS FOR SUCCESS

-  Cut blooms with sharp knife mid-afternoon on day before the show. Red cups may be picked as soon as they open to prevent fading. Stems may be labeled with a ball point pen.
-  Place stems in tepid water (80 degrees) for half an hour, then in two inches of cool water.
-  Store overnight in dark, cool place, free of drafts. Don't crowd flowers in container.
-  Early flowers may be held in water for 10 days in a refrigerator (not frostfree) at about 40 degrees. Trumpets must be fully opened when cut; smaller daffodils will open if cut when the color shows.
-  To bring on immature flowers, cut when color shows and place in two inches of warm water in a warm room.
-  Remove dirt and loose pollen and smooth petals with soft brush. Do not remove sheath.

RULES FOR PHOTOGRAPHY

1. Daffodils must be represented in some form in all photographs.
2. An entrant may submit a photograph in both natural and manipulated classes. All photographic work, including editing, must be done by the entrant.
3. Photograph must be taken by the entrant.
4. Each photograph must be mounted or matted, not framed. The maximum size is 14 inches in any direction including mat. The minimum size is 5 inches in any direction, not including the mat.
5. Entries may be brought to Bartlett's Farm on Friday, April 28th between 3:00 PM and 6:00 PM or Saturday, April 29th between 7:00 AM and 9:30 AM. Entries may be mailed any time after April 1st and received no later than April 25th to Nancy Polchanis, 55 Miacomet Avenue, Nantucket, MA 02554, 508 728 5835. If a photograph is to be returned, the exhibitor must provide self addressed, pre-paid shipping material, otherwise it will become the property of the Nantucket Garden Club.
6. Each entry must be labeled on the back with the photographer's name, address, phone number, entry class, and signed in on the registration sheet. Each entry card must be marked with a visible "N" for Nantucket entrants.
7. Photographs will be hung and taken down at the end of the show by the committee.
8. Photographs must be picked up on Sunday, April 30th between 4:30 PM and 5:00 PM. Unclaimed photographs will be donated to a local non-profit.

Classes are open to color or monochrome photographs and will be subdivided if needed.
